High School**

Aspire, Persevere, Succeed

27 April 2020

Dear Parents, Carers and Year 6 Children

We hope that you, and your family, are keeping well in these strange times we find ourselves in.

Some of you may have seen our recent post on Facebook, detailing our school's social media pages, along with the Invictus one giving suggestions of pages you can 'follow', if you don't already. However, we know that not everyone will already be following Invictus, so we have decided to send you our social media links by letter as well, to make sure that you are all aware of them.

At the moment posts include examples of work that children are completing at home and sending in, projects, how our schools are helping the NHS and other Key Workers, and the occasional video eg 'Toilet Roll Challenge'. Some of our schools are posting 'virtual' assemblies, so you can take a look at those too.

Our Assistant Head and Primary Transition Lead, Mrs H Brooks, is working with the other Invictus School Transition Leads at the moment, to ensure that the transition to high school is as smooth as possible for this year's Year 6 pupils. We don't know when we will be back at school yet, but we are hoping to meet you all before the summer holidays. We are sure that you will want to start to get to know your way around your new school, to meet some key staff and chat to some of our current students, and of course, see your friends again. We are eagerly waiting to meet and get to know you too; to show you around our school, and to answer any questions you may have.

Over the coming weeks before you start with us, we will continue to send you the occasional letter, keeping you informed of any transition details, and other school information that you may be interested in.

In the meantime, here are our social media links, please look, and see what we are up to at the moment!
